

CURRICULUM VITAE

Donna Day Baird
Epidemiology, MDA3-05
National Institute of Environmental Health Sciences
111 TW Alexander Drive, Bldg. 101
Research Triangle Park, NC 27709
(919) 541-2786
baird@niehs.nih.gov

Education:

- 1968- B.A. Macalester College, St. Paul, Minnesota (Biology).
- 1980- Ph.D. University of Minnesota (Evolutionary Ecology),
Thesis: Dispersal in Microtus pennsylvanicus.
- 1984- M.P.H. University of North Carolina (Epidemiology),
Thesis: Cholesterol change during menopause.

Brief Chronology of Employment:

- 1968 - 1969 Laboratory Technician, Department of Anatomy, University of Minnesota.
- 1969 - 1972 Research Analyst, American Rehabilitation Foundation, Minneapolis, Minnesota (coordination of Michigan aspects of a three-state, federally-funded study on welfare clients, including hiring and supervising field staff, data collection, data analysis, and report writing).
- 1972 - 1976 Research/Teaching Assistant, Department of Ecology, University of Minnesota, Minneapolis, Minnesota (analysis of reproductive data from the Grasslands International Biological Program Small Mammals Project/teaching assistant in general biology, ecology, mammalogy and evolution courses).
- 1978 - 1979 Instructor, Departments of Ecology and Anthropology, University of Minnesota, Minneapolis, Minnesota.
- 1980 Post Doctoral Fellow, Center for Biopolitical Research, Northern Illinois University, DeKalb, IL, (research on interdisciplinary communication and paradigm change in evolutionary biology).

Brief Chronology of Employment (continued):

- 1981 - 1982 Staff Associate, Biological Sciences Curriculum Study, Boulder, CO
(curriculum development in human genetics; questionnaire research on
attitudes about nonhuman animals among high school students and
teachers).
- 1983 Graduate Teaching Assistant, University of North Carolina,
Epidemiology: assisting in advanced methods course.
- 1984 - date Epidemiologist (Senior Staff Fellow, 1984-1990, Epidemiologist, 1990-
present) National Institute of Environmental Health Sciences,
Epidemiology Branch, research in reproductive epidemiology.

Societies:

American Fertility Society
American Society of Mammalogists
Sigma XI
Society for Epidemiologic Research
Society for the Study of Evolution

Student Honors and Awards:

Wallace Research Fellowship, 1967
Phi Beta Kappa, 1968
L.T. Dosdall Fellowship, 1976-1977
Dissertation Fellowship, 1977-1978
SER Student Workshop presenter, 1984
SER plenary session paper, 1987

Research Interests:

Fertility and early pregnancy
Reproductive epidemiology methods
Hormonal mediators in health and disease
Uterine fibroids

Teaching Activities:

Supervision of doctoral and masters level epidemiology students at the University of North Carolina.

Visiting lectures, Duke University, University of North Carolina at Chapel Hill.

Professional Activities:

IRB committee, NIEHS

Advisory Panel Member, Reproductive Disorders in Female Flight Attendants, NIOSH

Advisory Board Member, Seveso Women's Health Study, Berkeley, California

Editorial Board, Epidemiology

Reviewer of manuscripts for journals:

American Journal of Epidemiology

American Journal of Obstetrics and Gynecology

American Journal of Public Health

Asian Journal of Andrology

British Medical Journal

Environmental Health Perspectives

Epidemiology

Fertility and Sterility

Human Reproduction

Journal of the American Medical Association

Journal of Theoretical Biology

New England Journal of Medicine

Publications:
